# FIFe WORLD CAT SHOW

The FIFe World Show is the major international Cat Event that takes place every year in another country under the aegis of FIFe, where participants from all over the world compete for the title of World Winner. It is one of the largest Cat Fanciers Event worldwide and most certainly the most prestigious one. The title of World Winner is for life and is placed at beginning before cat's name.

Since 1990 FIFe holds World Shows organized annually by one of the Federation Internationale Feline (FIFe) members. Only once in 2020 show wasn't take place with the COVID-19 pandemic. The first World Show takes place in Munich, Germany. This year it was organized for the 32nd time in Mechelen, Belgium. So far, almost 800 cats have won the title of World Winner.
